

# WELCOME TO THE 2ND BALTIC JAMBOREE!

Baltic Jamboree is joint Lithuanian, Latvian, Estonian Scouts Camping project, organized in different Baltic State every 4 years. In year 2010 Baltic Jamboree will take place in Lithuania from 7th to 15th of August and will be called "Amber way".

"Amber Way" is an international scout camp where over 500 Lithuanian, Latvian and Estonian guides and scouts as well as international guests from all over the world will be participating. You are kindly invited to celebrate friendship of three Baltic countries, while looking towards the future of scouting. New friends, fun adventures and exciting experiences are guaranteed!

## PARTICIPANTS PROGRAM

This traditional forest camp welcomes all guides and scouts aged 12-18. The participants will have an opportunity to improve traditional camping and woodcraft skills, to learn and share scouting experiences in international environment, to spend a week in beautiful nature, to explore Lithuanian heritage and to take part in adventurous overnight hike!

Jamboree's program will be divided into age categories:

- 12-13 year olds – Fei Long
- 14-15 year olds – Challengers
- 16-18 year olds – Baltic Forces

Each age category will have its sub camp – a place for sleeping, eating, program, relaxing and socializing. The sub camp will be lead by Guru and leaders team from Lithuania, Latvia and Estonia. Of course, there will be joint activities for the whole camp such as opening and closing ceremonies and a joint camp day, where participants will visit international villages to get to know cultures of each Baltic country individually. Some activities such as the hike and excursions will take participants out of the campsite. Variety of services will be provided at the campsite, including scout shop, camp TV, lakeside beach and an international meeting place.

## IST

Adults (everyone over 18) are invited to join an international service team (IST). Service teams' responsibilities include everything from assistance with program realization up to logistics and communications. Adults will have a choice to take leader positions, work at the service team or participate in activities designed specially for them.

IST members will be asked to arrive on the 5th of August to meet each other, help to build pioneering, etc.

## TRAVELING

The Baltic Jamboree will be set near Germantas lake - 7km from the town Telšiai in north-eastern Lithuania. The nearest international airports are in Kaunas City (210 km to the South) and Riga, Latvia (200 km to the North). Also, public bus routes service the campsite from most Lithuanian cities and towns. All the participants must meet the requirements of their own Association and state laws concerning traveling abroad.
