

# INVITATION TO THE BALTIC JAMBOREE 2010

Dear friends,

The time is ticking fast and there are only 8 months left until 7th August - the beginning of The Baltic Jamboree! Baltic Jamboree is joint Lithuanian, Latvian, Estonian Scouts Camp organized by one of three Baltic Countries every 4 years. This year the Jamboree will be held in Lithuania. Being glad to have this opportunity to organize the camp, we would like to invite everyone who wants to meet new people, communicate and spend great time with scouts.

There will be made ecological projects as trash recycling and paid serious consideration to nature during Baltic Jamboree. There will also be emphasized activities of authentic spirit of scouting. We can promise that the Baltic Jamboree is going to be really nature and native.

Moreover, we would like to inform you about a decision to reduce participation fee for guests and to extend registration term until 1st February, 2010. So the participation fee now is 120 €. We hope that this term is long enough to register scouts who wish to take part in. This information will be updated in our website (<http://balticjam2010.wordpress.com/>) soon. We would like to ask You if there is a possibility to announce this information to members of your organization.

We are willing to meet you in the Baltic Jamboree – the member of our big family, who has common traditions, generous feelings and ideas.

If you have more questions dont hesitate to ask: [balt.jam.info@gmail.com](mailto:balt.jam.info@gmail.com)

Best regards

Justinas Janulevičius  
Camp chief
