The International Scout Week (short ISW) takes place every summer at our **National Scout Centre Westernohe**.

With the ISW we want to enable **international encounters** by helping you to find a partner troop or group for the camp.

The International Working Group (IAK) and the National Scout Centre Westernohe organise an **exciting program**: at the **opening event** you will be able to get to know each other in the 'living room' of the DPSG, you can try various dishes from different countries on our **evening of open pots**, and you can find friends and get to know different campfire cultures at our **international campfire evening**.

You can also become involved yourself by inviting your camp neighbors to some games or a campfire.

A summer camp with an international partner troop?

This will be possible in the heart of our association at the DPSG Scout Centre Westernohe in Germany next summer.

We will help you find a partner troop or group and you even have the opportunity to apply for **financial support!**

We would love to welcome lots of international guests and get to know all about your scouting culture...

The fee of **30,- € per person** includes the camping costs, main program and a badge.
